

Calling all 5th grade girls from  
Livermore, Pleasanton, or Dublin  
to participate in:

## STEAM Divas

Saturday 10/19/2019

8:30AM-noon

Junction Avenue K-8 School  
298 Junction Avenue, Livermore, 94551

STEAM Divas is a fun-filled half-day event for 5th grade girls to encourage their interest in science, technology, engineering, arts, and math (STEAM).

Participating girls rotate between three 45-minute small-group hands-on STEAM workshops. STEAM Divas workshops include *Fun with Energy*, *Prisms Colors and Angles*, *Creative Coding*, *Roving on the Moon*, and *Life as a Water Molecule*. Workshops are taught by AAUW-LPD members and other female professionals who encourage girls' interest in STEAM. Former Tech Trek participants help with activities and serve as role models.

Also offered is a 90-minute **parent program** *Encouraging Girls on a College-Bound STEAM Track*.

**Registration opens on 9/14/2019.** Registration (including \$5 materials fee) is required for either girl participant or parent program. Check <https://lpd-ca.aauw.net/stem/steam-divas/> for more information.

**Girl registration here:** <https://www.eventbrite.com/e/steam-divas-tickets-71158459869>

**Parent registration here:**

STEAM Divas is sponsored by the **American Association for Women (AAUW Livermore-Pleasanton-Dublin branch)** in collaboration with Livermore Valley Joint Unified School District and Zone 7 Water.

AAUW LPD is a service organization that promotes educational and economic opportunities for women. A major branch focus is encouraging young women to explore their education in STEM (science, technology, engineering, and math).
