President Message January 2022

Happy New Year everyone!

It was wonderful to see many of you at our Holiday dinner at Terra Mia last month. I want to thank Anita Massey and Sheryl Morgan along with the program committee for arranging a lovely, festive event.

Please consider a New Year resolution to increase your involvement with our branch by attending a new interest group, dropping in for Cocktails & Conversation or Coffee "AND", or joining one of our committees. I realize that Covid restrictions have limited the ways we meet, but there are opportunities to gather safely in person or on Zoom. Our calendar of coming events and the Friday updates are a good resource.

We hope all of you had a wonderful holiday and we look forward to seeing more of you in 2022.

All the best.

Marilyn Duman

AAUW LPD President

We held our annual **Holiday Celebration** at Terra Mia on December 15 with fabulous food, great conversation and laughter all around. Here's what two of our members said after the event:

"I am pleased that our local AAUW branch supports women by such things as donating gift cards to the Tri-Valley Haven." - Pat Kohen

"Why did I enjoy our Christmas dinner? It is the loving camaraderie among the members who always welcome me as an old friend, even after a long absence. This AAUW branch offers a way to be involved with intelligent, accomplished women who care about

the world and society, while basing their opinions on reason, as well as compassion. I thoroughly enjoyed the party and look forward to the next one."

- Peggy Lemanski

Thanks to your generosity, our gift basket raffle raised \$375 for the branch, and gift card donations raised \$780 for Tri-Valley Haven! Thank you to all who participated. Thank you also to the planning committee who made the event happen: Chris Alesso, Tina Amber, Marilyn Duman, Charlene Grandfield, Pam Leong and Roz Wright.

Be sure to put our **Wine Social** for members and spouses/partners/friends on your calendar: Saturday, February 19, 4:00 pm at Anita Massey's house. Watch for your Evite in late January.

The next **program committee meeting** will be 9:00 am, Thursday January 20, at Paris Baguette in Pleasanton. We welcome anyone who'd like to join us on the program committee to plan the rest of our 2022 events.

Anita Massey and Sheryl Morgan, Programs

Once again, under the leadership of PJ Wells, we are hosting our very successful **Speaker Series for High School Girls** and hope to expand the audience to include women at Las Positas.

From PJ Wells:

"A panel of professional women will share details of their daily work life including their varied paths to success. This year we have benefited from a phenomenal introduction to key partners, thanks to our very own Dot Bishop. She was the

catalyst to encourage me to approach Las Positas College and contact Nan Ho, Dean of STEM Academic Services. Nan nominated a molecular development biologist, Yuriko Kishi, to speak — and she accepted! Dot also introduced me to Monya Lane at Quest — who nominated several outstanding candidates to speak. Yes, they also accepted the invitation.

Our line-up this year is varied and exciting. We'll cover healthcare specialties, robotics, equality and democracy, plus deep lab research by PhD's. The AAUW team on this one has been fantastic!"

There will be 3 zoom sessions on Thursday evenings at 7:00 PM. Each session is approximately an hour and the sessions are free of charge. The zoom format removes the need for attendees to be local, so please share the information with the young women you know.

Memorial Service for Robin Morgan (November 11, 1932 – September 25, 2021) Saturday, January 22, 2022, at 3:00 p.m. Graham-Hitch Mortuary, 4167 First Street, Pleasanton 94566

Our condolences to branch member Walt Morgan and his family on wife Robin Morgan's passing. A wonderful remembrance from Walt:

"Robin first joined AAUW in Pullman, Washington, immediately after her graduation from Washington State College. Later she successively moved her membership to Seattle, WA, Las Vegas, NV and Livermore/Pleasanton/Dublin as her husband made career changes and their family moved.

Robin's more notable positions within AAUW were President of the Las Vegas Branch, President of the Nevada State Division, and President of the Tri-Valley Branch. One of her near-perennial roles within each Branch where she was a member was serving as By-Laws Chair.

Outside of AAUW, Robin had a variety of jobs. She was an elementary school teacher, director of a preschool, and owner-operator of an income tax preparation business. An outspoken advocate of the Equal Rights Amendment, her activity included some months as a lobbyist at the Nevada State Assembly. Even more significant to her, she was for 67 years the wife of Walter Morgan (a 35-year L-P-D member) and the proud mother of five and grandmother of five. She is very much missed."

AAUW Group Power (from Carol Holzgrafe and every AAUW Paradise branch member)

As the November 8, 2018 Paradise Camp Fire anniversary drew near, those of us who received so much help from AAUW members in California and elsewhere want to give an update and renew our thanks.

One small plea posted on the AAUW California website and a few emails asking for help brought tens of thousands of dollars in gift cards, offers of housing, furniture, and, in the case of a member who couldn't get her garage door open and had no replacement insurance—a car.

The Paradise branch board members, most of whom also lost their homes, worked hours to distribute the contributions to 35 of its 40 members, as well as Tech Trek families who were particularly hard-hit. Let's be reminded that good work starts at home.

From all of us, thank you!
