What is AAUW?

AAUW is a national non-partisan non-profit organization with local branches, founded in 1881.

AAUW's mission is to advance gender equity for women and girls through research, education, and advocacy. Our focus is on Education and Training, Economic Security, and Leadership

AAUW is California's most active and diverse organization for women, offering action for equity, personal and professional growth, community leadership, and friendship. AAUW promotes equity for all women and girls, lifelong education, and positive societal change. Membership is open to all graduates who hold associate or equivalent, baccalaureate, or higher degrees from an accredited college or university, as well as college/university students.

At the national level, AAUW is the sponsor of the National Conference for College Women Student Leaders. AAUW California founded Tech Trek, a science and math summer camp

for young women entering the eighth grade in the fall. These one-week camps are held on college campuses and feature hands on activities in math, science and related fields. Tech Trek has expanded to become a national project. Our branch has sent girls to camp for over 20 years.

Our local Livermore- Pleasanton-Dublin branch was formed in 1952 and has spear-headed many community projects. One such endeavor was the formation of a community orchestra which is now the Livermore-Amador Symphony. Our local branch has raised money for and offered scholarships to local women in their third /fourth year of college since 1966 and established the Livermore- Pleasanton- Dublin AAUW Scholarship Foundation in 1989. We have awarded over \$70,000 to such students.

Nationally, the AAUW Fund supports women with grants and fellowships to complete degrees and graduate work. Groundbreaking research is also supported by the Fund.

AAUW supports advocacy in both Sacramento and Washington DC and works in partnership with the California Commission on the Status of Women, National Organization for Women, League of Women Voters, and many other organizations to advocate on issues such as unfair pay, gender discrimination, racial discrimination, Social Security, educational issues, and women's health care.

Joining AAUW

[Log onto AAUW.org.](https://www.aauw.org)

Set up an account and pay dues. Membership includes national, state, and local chapters.

Be sure to join the Livermore-Pleasanton-Dublin Branch.

A portion of the national dues are tax deductible.

Upon joining, one is invited to participate in numerous branch activities and interest groups.
