A Seat at the Table: Empowering the Next Generation of Leaders

Your donation to AAUW-LPD's "non-event" fundraiser helps open doors for young women pursuing careers where representation matters. Each giving option offers a virtual "seat" at the table to learn more about personal perspectives and insights based on real experiences from pioneering women.

Send in your donation by **March 15** to learn more about their stories and help us reach our goal of **\$12,000**! Donations of any amount are appreciated.
